Summary

Creative UI/UX Designer with a Bachelor's degree in IT and hands-on experience in Figma. Knowledge HTML, CSS, Python, JavaScript, PHP, and Next.js. Experienced in designing user-centered interfaces and collaborating on international web projects.

Experience

Technical Website Support / Figma UI/UX – Rheingeist Werbeagentur, Germany *(Aug 2025 – Oct 2025)*
I focused on re-designing company website projects to enhance usability and visual appeal. I designed intuitive layouts and user flows in Figma, optimizing components for consistency, and ensured responsive designs that aligned with brand identity to provide seamless user experiences. I also collaborated closely with international teams to deliver modern and effective web solutions.
